

Option 1 – If you used Makers Empire

If you used the free 3D design tools to create your design please make sure you give your design the title 'SPACE TO DREAM' so it shows up in the virtual gallery.

Option 2 – If you would prefer to draw your design on paper

Draw a finished diagram of your invention on this page. Use black pen. Add colour if you like. Labels are good as they explain your design. No special drawing skills required, it's all about the idea!

This sheet is to be completed by every student taking part. These sheets are to be collected by your teacher, retained by the school and used to assist your school's Challenge Coordinator when completing your school's online Challenge Completion Form, due by 25 September 2020. Schools are asked to submit their top 3 designs. The Commissioner will select designs for display at MOD Museum of Discovery / in our online virtual gallery. The design chosen as the best by the Commissioner wins a 3D printer for their school donated by Makers Empire.
